A TAILOR'S BACK.

It's Like Other Bad Backs in Hopkinsville. Relief is at Hand.

The tailor at his bench,
The clerk at his desk,
The engineer at the throttle,
The busy housewife,
All have bad backs,
Vastly annoying, but always cured by Doan's Kidney Pills.

A Hopkinsville merchant tells of a cure.

Edw. J. Duocan, merchant tailor, at 11 W. 7th St., living at 119 East 18th St., says: "Backache is by no means an enviable companion for anyone who follows my occupation. It is extremely uncomfortable to remain in a sitting posture long and an aching in the small of the back makes such work a continual torture. I suffered in this way, off and on for years, and it is no wonder that I heartily wished that I might find something to bring me even the least relief. I first noticed Doan's Kidney Pills through reading papers sent me from my native country, England, and was impressed with the merits of this remedy and when soon afterwards I noticed similar local advertisements I went at once to Thomas & Trahern's drug store and got a box. I had used them only a short time when I found that I had procured the right remedy. The headache which had so distressed me left and the pains in my back were relieved. I am convinced from my experience that Doan's Kidney Pills are a wonderful remedy."

For sale by all dealers. Price 50 cents. Foster—Milburn Co., Buffalo, N. Y., sole agents for the United States.
